Minutes of Parents Meeting held on Saturday 14th October 2017

Attendees: Group Scout Leader Tracey Vlamis, Andreas Moraris, Isaias Ioannides, Andonis Florides, Georgina Adams, Estelle Kousoulidou, Elizabeth Photiou, Michael and Anna Poyiadjis, Bitte Lager, Andri Anastasiou, Marina Varvava and Christsos Triantadyllides.

1. Christmas Dinner Dance – We are still looking for a venue for 80 -100 persons. The Kapetanios Hotel does not have the dates where we were hoping to hold the group's yearly Christmas dinner dance, so we are still looking for a new venue. Monatias hotel will be closing the middle of November so that is also a no go. The group is waiting to hear back from Avenedia Famagusta. The Curium Palace hotel and the Ajax hotel will be contacted to see if they have availability. As soon as all information has been collected a decision will be made by the committee members by the end of next week. Once the venue has been agreed on the group can move forward with printing and selling of tickets, arranging DJ, the Christmas cake, etc. Also the idea is to give an incentive to the group to sell tickets.
2. Looking to have a cake sale, possibly on the 9th December. As there are many things going on the scouting programme.
3. The electrician has finished all works at the Mouttayaika hut the cost of 1,200. The meter box will be made by Andreas Moraris and will be outside. Once that is done the application for the 20 AMPS will be made even though the cost is unknown. This should all be done in 2 months.
4. 55 children are taking part in the K1.5 hike on Sunday 15th October.
