

The Cub Awards

The First Badge a Cub works for is the Promise Badge. The Promise Badge must be gained to be invested. Requirements can be obtained by Akela (Cub Scout Leader).

There are two Promise Badges. One is the Cyprus Promise Badge (Left) And the other is the European Promise Badge (Right). Both are worn on the Uniform.

The first award a Cub works for is the First Star Award.

Once a Cub has completed the First Star they can start working on the Second Star.

The First and Second Star is worn on the Cub cap. (First Left and Second Right)

A Cub that has completed the First and Second Star Awards then can work on the Going up Award (Leaping Wolf). This Award is worn on the uniform until the Scout becomes a Leader.
