2nd Feb 2019

Dear Parents

On Saturday 16th Feb the Explorers will be going on a two day hike. There will be three teams. One team is doing the hike as training for their Bronze Duke of Edinburg's Award and the other two teams to finish requirements for the Specialty and Heritage - Tradition Badges. All those taking part must be at the scout hut Moutayiaka at 8.00am dressed in their hiking gear (not uniform) and have their hiking equipment, packed Lunch and wearing their Necker's. Those not passing the equipment check will not be taking part. This is an all-weather hike. That means whatever the weather the hike will still take place. We will leave the scout hut by bus to the start of the hike. The Explorers will then hike to the overnight spot where they will be camping. Everyone will be camping in tents. Explorers will be carrying all their kit and food. This is an unassisted hike so everything must be done by themselves without any outside help. Explorers will also have to have with them a packed lunch for the first day. The Explorers have planned the hike route and will do final planning on Wednesday 6th Feb at the Moutayiaka Scout hut at 6.00pm to 8.00pm. Team Leaders will be responsible for food shopping.

On Sunday 17th Feb the Explorers will end approximately at 3.00pm and we should be back at the scout hut at 4.00pm. Please complete the permission slip below and hand in on the 16th Feb with €20. This amount is for the Bus there and back and food (Dinner Sat, Breakfast and Lunch Sun, and snacks).

There will be no Leader present on this activity. Leaders will go up to the night spot to see the Explorers. In case of emergency it will take Leaders up to one hour to reach the Explorers.
